

DO YOU OR YOUR CHILD SUFFER FROM ACNE THAT IS OUT OF CONTROL?

Dermatology Physicians of Connecticut in Shelton is conducting a research study of an investigational medication for moderate to severe acne.

Qualifications include:

- Adults or children at least 9 years old
- You must have at least 20 red, irritated pimples combined with at least 20 whiteheads or blackheads and no more than 2 large, hard bumps on the face

Qualified participants will receive:

- All study medication and study care at no cost
- You may receive compensation for your time
